Note: Written directions follow below...

Directions to SASA from King Shaka International Airport

- Exit the new King Shaka Airport
- Follow the signs and take the “N2 Durban” freeway
- Take the Umhlanga/Mount Edgecombe off ramp from the freeway
- At the off ramp turn right towards Mount Edgecombe, thereby joining the M41
- Keep to the left of the M41 and take your first left off ramp (You will have a Spar Supermarket on your left, and a ‘wall-fountain’ in front of you).
- At the T-junction turn right into Flanders Drive
- Follow Flanders Drive over the bridge, and for another 100 metres until you reach SASA on your right (170 Flanders Drive – it is a big brownstone building with sloping roofs).
- Sign in at security. If you have laptops they will want you to sign for them. Follow the road to the right for the Kwa-Shukela Reception and to the left (up the hill) for meetings at SASRI. There is parking in front of both buildings.
